- (2) To strengthen the Parent-Teacher relationship and Alumni Association; and also to utilize their positive suggestions in academic planning.
- (3) To participate in community services with different social activities in collaboration with Government and Non Government Organizations.
- (4) To emphasize on value education by organizing and inviting personals from related fields and arrange discussion with students and faculties.

Part (III):-Infrastructure and Administrative Aspects:-

- (1) New buildings for Seminar Hall, Laboratory and Library have been constructed and the same is reported to UGC.
- (2) Management has funded the lacking amount in construction of UGC granted Seminar hall, Library and Laboratory buildings from its own resources.

THE OUTCOME ACHIEVED

Part (I):-Academic Aspects:-

- (1) The teacher's participation in the seminars for research paper presentation is quite enthusiastic. Most of the faculties have presented or participated in national as well as inter-national seminars during this year.
- (2) The semester system has made a cent percent involvement of the students in academic calendar because this is a continuous learning and evaluation process.
- (3) Because of parallel running of two different courses in second and third year BRS as well as in MRS programs, the faculties had experienced extra workload and the same situation would prevail for one more years.
- (4) The academic calendar prepared in the beginning of the year was implemented successfully without much deviation.
- (5) The campus interviews and the carrier guidance activities were arranged for the student placement. The details are given in the Part B.
- (6) Coaching classes for entry in services have been started as per UGC guidelines in the second half of the year.

Part (II):- Co-curricular and other:

- (1) As per guidelines of UGC the new choice based credit system has been implemented by the affiliating university, hence the same new syllabus is implemented consecutively.
- (2) A revised syllabus having semester system (CBCS) was implemented consecutively in second year also and hence all faculties remained engaged in preparation of new lecture materials and notes.
- (3) Participation in Zonal Saptadhara Competition of Saurashtra-Kutch Zone of Gujarat State is enthusiastic and many students participated and secured ranks in many events. Detailed report is given in the respective activity heads.
- (4) The student participation in sports and cultural competitions was encouraged and they secured different positions at university level. The detail report is given in the respective heads.
- (5) To develop national & social spirit, discipline and respect for cultural heritage among the students, celebration of national and cultural festivals in the campus is the part of the vision and mission of the institution. Celebration of Republic day, Independence day, *Navratri*, *Rakshabandhan(Rakhi)*, *Teachers day*, *Holi & Dhuleti*, *Makersankranti*, etc. have become the part of regular activity of the institution.
- (6) A parent teacher gathering was held on 26th Jan. 2012. Parent's participation was enthusiastic and there were healthy discussion about the student progress. This type of gathering is also a part of regular activity of the institution.

- (7) The institution is functioning with the vision of rural development, and hence, the participation of the college in social and community services has become a part of its regular activities. These activities are mentioned under the Community Services head.

Part (III):-Infrastructure and Administrative Aspects:-

To develop proficiency in English language among student, extra English coaching has also been started in the Language Laboratory over and above regular classes.

PART-B

(1) Activities reflecting the goals and objectives of the institution.

Following are the activities reflecting goals and objectives of the institution:-

- (1) The institution is based on the fundamental principles of the *Gandhian* ideology. Hence, the self discipline, self reliance and positive attitude towards labor work are the prime focused area to develop among students. There is a provision for compulsory labor work for all the students. Tree plantation and maintenance, campus cleanliness work, subject related extension/ consultancy work, program management and organization of functions by students are some of the examples.
- (2) Creativity and talents are well nourished by providing the opportunity to participate in the local as well as university level sports and cultural competitions.
- (3) Arrangements of *Gram shibir* and *Khedutshibir* provide opportunity to students to understand the problems and to some extent solve the problems of villagers.
- (4) Value based activities of the institution includes: Blood donation, Tree plantation, Rural Health awareness, Swine Flu awareness, Human and Animal Treatment Camps and Child health and Woman Empowerment Camps.
- (5) Student placement and the carrier guidance are also the key area for the institution. Experts from different field of society as well as personnel from employer institutions are invited to address the students.

(2) New academic programmes initiated (UG and PG).

A new academic programme Master of Social Welfare (MSW) could not be initiated due to some sanction problems from the affiliating university.

(3) Innovation in curricular design and transaction

1. The CBCS (Choice Based Credit System) is already implemented in all semesters of BRS program.
2. Choice Based Credit System (CBCS) in MRS program is also implement in all four semesters.

(4) Examination reforms implemented.

The internal evaluation structure in CBCS courses involves a continuous evaluation process. There are three components each with 10 marks out of total 30 marks. They are as follows:

- (i) An assignment comprising 10 marks
- (ii) A written quiz comprising 10 marks
- (iii) A comprehensive test comprising 10 marks

The rest 70 marks are allotted for Semester End Examination which is conducted by affiliating university for a course of 100 marks.

(5) Initiative towards faculty development programme:

The faculties are entertained a duty leave (DL) when they participate in the seminar/ conference/ workshop for paper presentation or participation. A total of about eighteen papers have been presented in national seminars at different places by the faculties in total. (Annexure-I)

(6) Total number of seminars / workshops conducted:

Due to over work load to most of faculties and implementation of CBCS course, workshop or seminars could not be arranged this year.

(7) Citation index of the faculty members and impact factor:

Every year student feedback for the proficiency of each teacher is collected. On the basis of student feedback and the management sense it was decided to give the Best Teacher award of this year (2011-2012) to Dr. D. C. Patel, Lecturer- B.R.S. College- Dumiyani.
